PRAGATI KOIRALA

Advanced Diploma of Leadership and Management

I enrolled in NIET while starting a new life in Tasmania. I received lots of help from the administration and teachers. I used to struggle a lot to do my assignments. Dimpy has helped me with one-on-one consultations after classes. Classes were very engaging and interactive. Overall, I had an amazing experience with NIET.

ADVANCED DIPLOMA OF LEADERSHIP AND MANAGEMENT

About this Course:

This qualification is ideal for individuals looking to advance their careers in leadership and strategic management roles. It combines comprehensive knowledge with practical skills to prepare you for addressing complex challenges across various industries. You will explore key areas such as critical thinking for problem-solving, leading and managing organisational change, and developing and implementing business strategies. The course also covers managing innovation and continuous improvement, reviewing digital strategies, and contributing to strategic workforce planning and corporate social responsibility. By completing this qualification, you will strengthen your ability to lead teams effectively, drive strategic initiatives, and approach complex problems with confidence.

Yuan Hsu

In the past year, I met three teachers and they are the best education team I have met in my life. I'm Taiwanese learning English in Australia. In the beginning, I wasn't able to speak even a sentence, but Jessica and Sukin were very patient to us. From my perspective, one of the most important things for junior English learner is to be given confidence by others. I had been taught by two of them from basic English. Finally, when I reached level 5, I met teacher Jayne, she would push us a little bit to learn more. I want to say again that, they are the best education team I have come across. They are so professional that they can be fully trusted.

My tutor Richard was always very encouraging and helped me through the entire process step by step.
