Yuan Hsu

In the past year, I met three teachers and they are the best education team I have met in my life. I'm Taiwanese learning English in Australia. In the beginning, I wasn't able to speak even a sentence, but Jessica and Sukin were very patient to us. From my perspective, one of the most important things for junior English learner is to be given confidence by others. I had been taught by two of them from basic English. Finally, when I reached level 5, I met teacher Jayne, she would push us a little bit to learn more. I want to say again that, they are the best education team I have come across. They are so professional that they can be fully trusted.

My tutor Richard was always very encouraging and helped me through the entire process step by step.
