DIPLOMA OF COMMUNITY SERVICES

This qualification is designed to prepare you for undertaking case management, teaching the skills involved in managing, co-ordinating and delivering of person-centred services to individuals.

This course provide a comprehensive knowledge along with hands-on experiences in the community service area. It helps students to find jobs in the roles of community services, case management and social housing workers involved in the managing, co-ordinating and/or delivering of person-centred services. At this level, workers have specialised skills in community services and work autonomously under broad direction; usually you will be providing direct support to individuals or groups of individuals, and have responsibility for the supervision of other workers and volunteers, plus undertaking program coordination.
